Emergency Closings of School

Please note that the initial announcement of a weather-related schedule change may be revised depending upon the severity of the weather condition. The status of a weather related change can be monitored by:

- Awaiting a telephone notification from the DASD phone AlertNow system
- Continuing to listen to radio stations KYW (1060 AM), and WCHE (1520 AM)
- Continuing to watch Fox Morning News on WTXF Fox 29 for updates
- Monitor the status of the school schedule on the district website by logging on to www.dasd-adm.org

It is simply impossible to telephone every parent when the school needs to close in an emergency. To insure that your child is accurately informed of your plan, please complete the following form. Your specific directions will be reviewed with your child by the teacher prior to any weather related early dismissal. Please articulate a specific plan and refrain from simply indicating that the child should call home.
